White Like She Bob Fingerman
20th Anniversary Edition of BOB FINGERMAN's race and gender-swapping pseudo-science fiction social satire is back in print and better than ever. The tale of a down-on-his-luck African-American nuclear power plant custodian whose brain is transplanted into a militant white teenage girl's skull, WHITE LIKE SHE takes a cue from the '70s exploitation movie playbook and mixes message, humor, violence and Frankensteinian brain-juggling. Featuring never-before-seen bonus material and newly added gray tone, this is the definitive edition.
