Out of Control: Global Turmoil on the Eve of the 21st Century Zbigniew Brzezinski

Brzezinski provides a stark and realistic look at the world's economy and moral crisis in a brilliant analysis of today's geopolitical order.

If America is to reassert its moral legitimacy, Brzezinski argues, it must address its basic dilemmas, including deepening poverty, inadequate health care and education, a greedy wealthy class opposed to progressive taxation, and the mass media's promotion of sex and violence. In the new world of rival global power clusters, Brzezinski urges a greater role for the United Nations and "redistribution of responsibilities" within the trilateral nexus of Europe, America and East Asia (*Publisher's Weekly*).
