Warthog (P) William L. Smallwood

This volume is about the special pilots and the missions they flew in Operation Desert Storm during the Gulf War. Built around a two-ton, 20-foot-long Gattling gun, the Warthog was very successful in its Desert Storm baptism of fire. With the full co-operation of the Air Force, the author interviewed over 100 A-10 pilots immediately after the war. The hangar-talk of Fish, Gator, Growth, Fannspeed and the other "Hog drivers" tells the story of the A-10s unlikely rise to glory, and what it's like to fly combat in a plane so ugly that it was dubbed the Warthog. William L. Smallwood is the author of "Strike Eagle: Flying the F-15E in the Gulf War".

From reader reviews:

Edna Pilon:

Book is to be different for each and every grade. Book for children until adult are different content. As you may know that book is very important for us. The book Warthog (P) seemed to be making you to know about other know-how and of course you can take more information. It is rather advantages for you. The publication Warthog (P) is not only giving you much more new information but also for being your friend when you really feel bored. You can spend your personal spend time to read your reserve. Try to make relationship together with the book Warthog (P). You never feel lose out for everything in the event you read some books.

Joanna Weekley:

As people who live in often the modest era should be change about what going on or details even knowledge to make all of them keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you personally but the problems coming to you actually is you don't know which one you should start with. This Warthog (P) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Christy Dennie:

Reading a book can be one of a lot of activity that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new facts. When you read a reserve you will get new information mainly because book is one of many ways to share the information or their idea. Second, studying a book will make you more imaginative. When you studying a book especially fictional works book the author will bring that you imagine the story how the personas do it anything. Third, you can share your knowledge to other folks. When you read this Warthog (P), it is possible to tells your family, friends as well as soon about yours guide. Your knowledge can inspire the others, make them reading a publication.

Thersa Davenport:

Beside that Warthog (P) in your phone, it might give you a way to get more close to the new knowledge or information. The information and the knowledge you may got here is fresh from oven so don't end up being worry if you feel like an old people live in narrow commune. It is good thing to have Warthog (P) because this book offers for you readable information. Do you sometimes have book but you do not get what it's facts concerning. Oh come on, that would not happen if you have this within your hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. Use you still want to miss it? Find this book along with read it from right now!
