Everything you thought you knew about magic will... Vanish.

Journey into a world where the lines between magic and reality are blurred... And where one man will soon find himself as the last remaining hope for all mankind.

Hank, Sudana and Sparkles make their way into the treacherous jungles of Costa Rica in search of the wizard Kon for help. Yet, their journey may end before it even begins when they encounter The Guardians, magical panthers tasked with protecting the temple of Kon-who may or may not be allies to their cause. Inside Kon's temple, the ancient wizard battles the newly returned Samsun, but the tides of magic power have shifted-and not in his favor. In the Void Realm, Hector and Alle's capture by a mystical shaman will provide a glimmer of hope to the pair stuck in the hellish landscape of the Void, but will they be able to survive in order to enjoy it?

Created and written by Aspen's own Vince Hernandez, with stunning art by Khary Randolph and Emilio Lopez, make sure to open your eyes to the exciting new world of CHARISMAGIC!
