Project Management for Trainers Lou Russell

Define a development project before you start planning the details.

A seat of the pants approach to project management is no longer viable. Today's trainer is taking on truly unique projects?and often many at once. Whether you're developing materials on unfamiliar topics or writing courses for others to deliver using new technology, now is the time to strengthen your project management process.

Seasoned learning and leadership expert Lou Russell offers a structured approach to moving projects from conception to completion. In *Project Management for Trainers*, you'll discover how to maintain a clear focus on client goals no matter how many changes they request or how many people get involved. This refreshed second edition also guides you through managing consulting projects and suppliers.

This book is an essential guide to:

- Building a project charter to document business objectives, project objectives, scope, risks, and constraints.
- Creating a project schedule to determine task order, establish milestones and due dates, and assign task owners.
- Conducting a post-project review to capture lessons learned.

From reader reviews:

Michael Walker:

Information is provisions for folks to get better life, information nowadays can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is inside the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Project Management for Trainers as the daily resource information.

Nancy Steffen:

The particular book Project Management for Trainers has a lot info on it. So when you read this book you can get a lot of advantage. The book was compiled by the very famous author. Mcdougal makes some research before write this book. This kind of book very easy to read you will get the point easily after reading this article book.

Luz Cox:

The reason why? Because this Project Management for Trainers is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking approach. So , still want to delay having that book? If I ended up you I will go to the book store hurriedly.

Darren Reid:

It is possible to spend your free time to see this book this reserve. This Project Management for Trainers is simple to bring you can read it in the playground, in the beach, train in addition to soon. If you did not have got much space to bring the printed book, you can buy the e-book. It is make you easier to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.
