The Inheritor: Book Six of The Marketplace Series Laura Antoniou

The long-awaited sixth installment of Laura Antoniou's Marketplace series! A surprise hit when first published in the 1990s by Masquerade Books, THE MARKETPLACE launched a series that eventually grew to five books. The author, Laura Antoniou, wrote them slowly, while working a day job, and after Masquerade went under, moved to a small press. After that press's demise, the series faltered, but in 2010 Circlet Press began to re-issue the series in new ebook editions. The revitalization of the entire franchise in the face of "50 Shades" mania has been nothing short of incredible. Antoniou's work has been featured in Cosmopolitan, Life Story, and elsewhere as a safe, sane, and consensual alternative to "50" and now, at last, after a massively successful Kickstarter campaign, a brand new, never before published sixth installment is ready to foray into bookstores! When last we saw Chris Parker, he had been bought by master trainer Tetsuo Sakai and was blissfully ensconced in Japan under Tetsuo's wonderfully sadistic boot. And here we join Robin Cassidy, now contentedly serving a slave contract for a rich Chicago businessman. But the Marketplace is shaken when a new Trainer of Trainers must be anointed and the resulting machinations and clashing loyalties threaten to tear their world apart. Everyone has a stake in the outcome and Chris Parker is about to find out who is with him and who is against him. Richly told, interconnecting threads of Parker's previously unseen past with his complicated present, The Inheritor also weaves in the narratives of many favorite Marketplace characters, including Robin, Ken Mandarin, Ron Avidon, and features appearances by many more, including Jiro, Rachel, Michael, and Grendel. Laura Antoniou is the award-winning author of The Killer Wore Leather and the long-running series that began in 1993 with The Marketplace.
