Yo me perdono (Spanish Edition) Fietta Jarque

Una novela en torno a la magia de la construcción de la iglesia de Andahuaylillas en el siglo XVII

En la primera mitad del siglo XVII, cerca de la aún poderosa ciudad del Cusco, en Perú, se empieza a gestar una extraña alianza. La región vive una relativa paz tras las guerras de la conquista, pero se sigue librando otra batalla furtiva que no se ha resuelto todavía. El choque de culturas y costumbres que conviven escondiéndose, disimulándose.

Yo me perdono es la historia de cuatro hombres: un cura, Juan Pérez Bocanegra; un comerciante andaluz de oscuro pasado, León Montero de Espinoza; un joven pintor criollo, Luis de Riaño; y un indio, Tomás Puka, heredero de las antiguas tradiciones y secretos de los incas, pero educado en la más exquisita cultura occidental, que sellan un pacto para hacer de la iglesia Andahuaylillas un centro de poder religioso. La sede de un ejército invisible, dominado por ellos.

Intriga, traición, magia, conspiraciones y motivaciones no expresadas se mezclan con un clima de extraños sucesos y personajes providenciales. La minuciosa ambientación histórica recrea detalles de una época y un lugar sobre los que la ficción se ha detenido en muy pocas ocasiones. A medio camino entre la realidad y la fantasía, Yo me perdono es un ajuste de cuentas con el pasado. Una mirada al momento en que el mestizaje de culturas en América Latina se abría paso de forma subterránea, mientras la Iglesia pretendía ejercer su dominio absoluto.

You can more quickly read this book from your smart phone. The price is not too costly but this book provides high quality.

Irma Lovern:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some review, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Yo me perdono (Spanish Edition) can make you sense more interested to read.
