Crochet Lace

Jean Leinhauser, Rita Weiss

Crochet Lace Jean Leinhauser, Rita Weiss

Every crocheter stares admiringly at vintage lace, wishing to replicate its delicacy and elegance. The originals were stitched with finer thread than we use today, making that gorgeous heirloom-quality crochet lace an elusive dream. This unique guide showcases a collection of antique tablecloths and bedspreads—each a magnificent example of the crocheter’s art—and revises the old techniques to suit today’s threads. Complete patterns are included for each project, along with instructions and full-page photos that make intricate designs easy to follow. Special attention is paid to working with traditional steel hooks and choosing the perfect crochet threads, and plenty of advice is offered for working in file. These projects take time, but the results will become tomorrow’s heirlooms.
