When people talk about or experience paranormal activity, ghosts are often a component-and enough of a component to be worth investigating and discussing. The popular theory about ghosts is that they are spirits of humans who have died, but this isn't consistent with teachings from the Bible. So, as Christians, we ask "Who and what are they" To answer this, God, Ghosts & Christians looks briefly at various current theories, followed by an extensive look at ghosts from a Christian point of view, supported by biblical passages and personal experiences of the author and others. The author, an ordained minister, will take you through all aspects of the existence of ghosts in our world-from the ones that are demons to those that are well meaning and kind. Don't be fooled by media and nonbelievers-there is a quiet, but serious, war going on between Christians and ghosts. This book will affirm your beliefs, show you how to protect yourself and those you love and encourage you to help quiet the "whispers" and win the war.
