Indómito (Spanish Edition) Vladimir Hernández

La Habana. Mario Durán sabía que librarse de la cárcel venía con un precio muy alto. Lo que ignoraba, y aprendió de la peor manera, era que aceptar ese precio lo enfrentaría a una particular versión del infierno.

La Habana, 2014. El infierno tiene muchas versiones; una de ellas puede ser despertar bajo tierra cubierto de sangre y descubrir que te han engañado e intentado matar, y que la única persona en quien confías ha sido asesinada. También puede ser que tú provoques otra versión del infierno con una persecución implacable en busca de algo más que una venganza. El infierno pueden ser los espejismos de una Cuba que exhibe un falso aperturismo al mundo y esconde las promesas rotas que han marcado generaciones enteras.

Mario Durán es hijo de la Cuba más reciente y negra, esa en la que los *millennials* ya no esperan nada del estado, pero lo quieren todo.

*Indómito* es una novela eléctrica, un viaje trepidante y adictivo que nos atrapa desde la primera página y no nos suelta hasta robarnos el aliento.
