Jemima J: A Novel

Jane Green

Jemima J: A Novel Jane Green

Jemima Jones is overweight. About one hundred pounds overweight. Treated like a maid by her thin and social-climbing roommates, and lorded over by the beautiful Geraldine (less talented but better paid) at the *Kilburn Herald*, Jemima finds that her only consolation is food. Add to this her passion for her charming, sexy, and unobtainable colleague Ben, and Jemima knows her life is in need of a serious change. When she meets Brad, an eligible California hunk, over the Internet, she has the perfect opportunity to reinvent herself—as JJ, the slim, beautiful, gym-obsessed glamour girl. But when her long-distance Romeo demands that they meet, she must conquer her food addiction to become the bone-thin model of her e-mails—no small feat.

With a fast-paced plot that never quits and a surprise ending no reader will see coming, *Jemima J* is the chronicle of one woman's quest to become the woman she's always wanted to be, learning along the way a host of lessons about attraction, addiction, the meaning of true love, and, ultimately, who she really is.

From the Trade Paperback edition.
