Job: A Novel J. Pizarro-Cruz

Job was a lieutenant of a local street gang and a high school senior when his life turned upside down. One afternoon his brother is murdered as a result of their gang affiliation. Struggling with the pain of his loss Job meets Gloria Davis, a mysterious young lady Job cannot stop thinking about. Things get a lot more complicated for Job as the thugs who killed his brother come after him and his new girl. But there is something about his new love that he can't put his finger on. He soon finds out that some of the people closest to him are holding dark secrets. Will Job leave the gang life behind as he prepares to graduate high-school or will he launch a counter strike against the person who killed his brother?
