Madam HELLary - SOSialist Precedent: Satirical forecast before 2016 bust Ilya Katz

The book “Madam HELLary – Socialist Precedent” is absolutely unique in style. It consists of 40 sharp satirical cartoons and close to 550 aphorisms.

Free radicals endanger our life. By the way, let us call them “ridicules.” Why consider them Liberals if they don’t give a damn about the liberty of the individual?

Why should we accept them as Democrats if they are deaf to the voice of the majority?

They consider themselves progressive but the worst type of cancer is a progressive cancer.

It may be proper to recognize them as leftists,

ideologically crippled left-brainers.

Undoubtedly the smartest people in the world, the most progressive, are the Democrats.

And the smartest of the smartest are called the Establishment.

And the absolutely smartest of them become Presidential candidates, like HELLary, who pass such ASSsense that no one in the world can compete with her.

Please don’t get offended.

The ass, otherwise known as a donkey, is the hard-earned symbol of the Democrats.

If you dared to challenge a puma you are not necessarily a tiger; you might be a Katz.

There are four types of politicians: good, bad, very bad, and HELLary

HELLary:

“I WANT YOUR VOICE!

I WANT YOUR MONEY!

You have no choice, I am your honey.”

Today’s HELLary politics are a way to satisfy her ego at voters’ expense.

HELLary cannot generate anything except an impression.

Is it enough to win election?

HELLary’s heart is hot, her mind is cold, and her hands are clearly washed.

Otherwise she will easily poison her constituents.

HELLary is a political acrobat.

Sometimes she uses her head, but more often her butt.

HELLary cannot walk on water, but she can walk through the rain and come out dry.

HELLary’s actions are like hands on a broken clock: the big hand moves forward

and the little hand travels in the opposite direction.

When people see the ideological eggs of HELLary, they understand that there is no hope that swans will be hatched from them; in the best case scenario, it will be just ugly ducklings.

HELLary is trying to convince people that the socialist dirt she is dumping on America will have a healing power.

HELLary is trying to sell people her outdated ideas.

Unfortunately they are not very fresh, and who will trust a dealer with second-hand goods?

Lying is the mother of all evil, and HELLary respects parents.

The most harmful lie is truthful, complicated, covered by the search for ideal; it's a rule, a characteristic of HELLary's political life.

HELLary lies and lies and lies and lies, but her lies are so straightforward.

Listening to HELLary is like eating strawberries in vinegar.

HELLary declined a mansion in heaven.

She did not like the area and was not satisfied with the neighbors.

If HELLary and Bill want successfully to conquer the White House

they both have to change sexual orientation.

Music helps the election campaign process.

Soon HELLary's election will be accompanied by Mozart's *Requiem*.

HELLary would have huge success at a retirement home

since no one hears anything, and nobody cares.

If HELLary wins the election, she will try to turn the bald eagle into a hen.

People, don't allow our country to be duped and bought.

Please, independently think and vote.
