Women's Health During the Childbearing Years: A Community-Based Approach, 1e Peggy S. Matteson RNC PhD

This exciting new, full-color text prepares students to provide realistic, holistic care while supporting the woman's efforts at self-care and empowering her to be a partner in her own healthcare. The text focuses on the interaction with the individual, their family, and their community, discusses complementary and medical therapies, and covers interactions with women during outpatient and in-patient care. Nutrition, culture, and patient teaching are carefully integrated throughout this unique text.
