## **Cape Breton is the Thought-Control Centre of Canada** Ray Smith

First published in 1969, Ray Smith's *Cape Breton is the Thought-Control Centre of Canada* remains as refreshing, innovative and important today as it has in every previous incarnation. Sophisticated, playful, crafted, sly, self-referential and extremely funny, it marks the beginning of a long and important, if unfortunately under appreciated, career by one of Canada's best humorists and innovative story-tellers.
