**Un estudio global sobre la larga primavera indígena en América Latina**

La situación de los indígenas de América y las nuevas formas de protesta social en un libro revelador

Los indígenas de América Latina han adquirido renovada visibilidad en las últimas décadas, tanto en los países en los que representan una parte importante de la población (México, Guatemala, Ecuador, Bolivia, Perú), como en aquellos en los que conforman una minoría más o menos significativa (Colombia, Venezuela, Brasil, Nicaragua, Panamá, Chile, Argentina).

Sus luchas constituyen los principales movimientos sociales en la región desde hace medio siglo: no son parte de un retorno a la tradición ni de una moda new age, sino expresiones modernas, arraigadas en las comunidades, articuladas con los conflictos sociales y animadas por aspiraciones democráticas en el mundo entero.

Yvon Le Bot analiza en este libro el fenómeno en toda su complejidad y variedad, su evolución y sus límites, sus éxitos y sus fracasos. Se detiene en sus figuras conocidas y momentos cruciales —el rechazo a la conmemoración del quinto centenario del descubrimiento de América, el levantamiento zapatista, el surgimiento de Evo Morales—, pero también da voz a un gran número de actores (a menudo mujeres) que, en distintos eventos y procesos, han convergido para marcar el paso de esta larga marcha indígena.

### **From reader reviews:**

#### **Doreen Williams:**

In this 21st century, people become competitive in each way. By being competitive right now, people have to do something to make them survive, being in the middle of typically the crowded place and notice by surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Sure, by reading a guide your ability to survive increases then having a chance to remain than others is high. To suit your needs who want to start reading some sort of book, we give you this *La gran revuelta indígena (Claves. Sociedad, economía, política) (Spanish Edition)* book as a beginning and daily reading e-book. Why, because this book is greater than just a book.

#### **Corey Smith:**

Your reading sixth sense will not betray you actually, why because this *La gran revuelta indígena (Claves. Sociedad, economía, política) (Spanish Edition)* is written by a well-known writer whose to say well how to make a book that may be understood by anyone who reads the book. Written in a good manner for you, still dripping with every idea and composing skill only to eliminate your own personal hunger then you still have skepticism *La gran revuelta indígena (Claves. Sociedad, economía, política) (Spanish Edition)* as a good book but not only by the cover but also with the content. This is one review that can break don't judge a book by its cover, so do you still need yet another sixth sense to pick this particular!? Oh come on your reading sixth sense already alerted you so why do you have to listen to yet another sixth sense.

#### **Carmela Martin:**

Therefore, not all of the books make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading that.

#### **Ruth Vazquez:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make a summary for some review, they are complained. Just tiny students that have reading's internal or real their passion. They just do what the instructor wants, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore, this *La gran revuelta indígena (Claves. Sociedad, economía, política) (Spanish Edition)* can make you truly feel more interested to read.
