Mandalas Inspired by Lilacs - Volume 1: Adult Coloring Book - Inspired by Nature, Brought to life by you Deborah Carney

I love lilacs. I love photography. I love art.

The "Mandalas Inspired by" series is based on all three. Every mandala started as a photograph of a lilac on a bush out in nature.

These aren't your standard mandalas. They are the kind that are infused with nature, the kind that allow you to color what you see in them. I don't dictate your vision. I use soft lines and gray areas, since nature isn't usually hard and black and white.

There is more gray that you may be used to. With your choice of coloring medium, whether it is pens, markers, pencils, crayons or paints, you discover what you are meant to see in each image.

You are in control, your mind is in control. Color your stress away by meditating on our mandalas and creating the images that are in your mind.
