Triumph Books

The smash hit video game *Minecraft* continues to grow in popularity and in gameplay, adding more features and updating existing ones to make them richer and more complex. Players who mastered the basics with *Minecrafter* and leveled up with *Minecrafter 2.0 Advanced* can now become experts with *Minecrafter 3.0 Advanced*. Readers can delve into the complex advanced-player worlds of Brewing, Enchanting, and Farming for items and experience and learn how to start making the Holy Grail of Minecraft creations: the megabuild, and make it look great by learning how to use visual boosters like skins, resource packs, and shaders. This book details the brand-new modes of play, such as the drama-filled Adventure maps that present a whole new set of challenges for advanced players to complete. As the game has evolved, so has the player-favorite Redstone system, and dozens if not hundreds of new mods, mini-games, servers, and builders have come into being. This gamer's guidebook also contains the most up-to-date information on the latest updates, including some game-changing new features, helping you achieve expert Minecrafter status.
