## OLIVIA Helps Mother Nature

Olivia strives for environmental excellence in this Level 1 Ready-to-Read based on a popular episode.

In this funny and sweet Ready-to-Read, Olivia decides her family must “go green!” She recycles bottles, makes her family walk to the restaurant instead of taking the car, and makes sure the trash is correctly separated. There’s only one problem: Ian can’t sleep without a nightlight. Olivia doesn’t want to upset her brother, but she can’t stand the thought of a light on in the house all night long. Can Olivia come up with a solution that keeps everybody happy?
