After Claude (New York Review Books Classics) Iris Owens

Harriet is leaving her boyfriend Claude, “the French rat.” That at least is how Harriet sees things, even if it’s Claude who has just asked Harriet to leave his Greenwich Village apartment. Well, one way or another she has no intention of leaving. To the contrary, she will stay and exact revenge—or would have if Claude had not had her unceremoniously evicted. Still, though moved out, Harriet is not about to move on. Not in any way. Girlfriends circle around to patronize and advise, but Harriet only takes offense, and it’s easy to understand why. Because mad and maddening as she may be, Harriet sees past the polite platitudes that everyone else is content to spout and live by. She is an unblinkered, unbuttoned, unrelenting, and above all bitingly funny prophetess of all that is wrong with women’s lives and hearts—until, in a surprise twist, she finds a savior in a dark room at the Chelsea Hotel.
