Self-Injury in Youth: The Essential Guide to Assessment and Intervention

Self-Injury in Youth: The Essential Guide to Assessment and Intervention

This edited volume features evidence-based reviews and practical approaches for the professional in the hospital, clinic, community and school, with case examples throughout. Divided into five major sections, the book offers background historical and cultural information, discussion of self-injury etiology, assessment and intervention/prevention issues, and relevant resources for those working with youths who self-injure.
