Shot In The Tower

Leonard Sellers

Shot In The Tower Leonard Sellers

The number 1 best book about spies in Britain. As listed by Dame Stella Rimington Ex-Director-General of M.I.5.

The first reaction to Leonard Sellers fascinating account of the spies who were executed in the Tower of London during the First World War is likely to be one of amazement at their ineptitude. Not one of them seems to have had any proper training or any idea of how to set about the job. This, of course raises the intriguing question: how many others were there who did know what they were up to and managed to escape detection?

However, thanks to the more liberal attitude now prevalent regarding access to hitherto 'sensitive' material and to years of dogged research by Len Sellers, the remarkable, but somehow pathetic, stories of the eleven foreign agents who were caught and subsequently shot in the Tower for espionage can now be told. In these days when a mind-boggling array of equipment is available for the assimilation and transmission of supposedly secret information their antics strike one as little short of farcical, but for their efforts, inspired, it seems, more often by greed than patriotism, these men paid the ultimate price and paid it in the most historic site in Britain.

Whether they deserved their fate, or indeed the niche in history which this book gives them, is for the reader to decide. What cannot be denied is that their collected histories make remarkable reading.

From reader reviews:

Anthony Pisano:

Book is written, printed, or descriptive for everything. You can recognize everything you want by a reserve. Book has a different type. We all know that that book is important factor to bring us around the world. Adjacent to that you can your reading skill was fluently. A e-book Shot In The Tower will make you to become smarter. You can feel more confidence if you can know about every little thing. But some of you think this open or reading any book make you bored. It is far from make you fun. Why they may be thought like that? Have you looking for best book or suitable book with you?

Christina Ruiz:

Do you really one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't judge book by its cover may doesn't work at this point is difficult job because you are frightened that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer may be Shot In The Tower why because the wonderful cover that make you consider regarding the content will not disappoint anyone. The inside or content is usually fantastic as the outside or maybe cover. Your reading 6th sense will directly show you to pick up this book.

Janice Wilham:

In this age globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended for you is Shot In The Tower this e-book consist a lot of the information of the condition of this world now. This specific book was represented just how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. Typically the writer made some research when he makes this book. This is why this book acceptable all of you.

Mary Infante:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Shot In The Tower can make you experience more interested to read.
