A Slip to Die For William Maltese

STUD DRAQUAL RETURNS! Someone had not only killed the writer, who'd been an "underground" movie star, model, hustler, and cross-dresser, but had also murdered the borderline drunk, who'd been a TV-network executive and anchorman for the evening news. Each corpse had been carefully draped in Draqualian silk, a very special silk created by very special silkworms who ate very special mulberry leaves. Stud Draqual knew all about the silk, and knew the dead men too. Two things were immediately clear: the killings weren't accidental, and they were both connected directly to Stud and he needed to be very careful indeed to penetrate the mystery without being murdered himself!
