**Absent Presence (Modern Voices)** Mahmoud Darwish

*"Darwish's poetry is an epic effort to transform the lyrics of loss into the indefinitely postponed drama of return."* —*Edward Said, author, Orientalism*

Blurring the boundaries between prose and poetry, this illuminating book explores the meaning of life, the impact of exile, and an existence spent in companionship with the specter of death. Partially autobiographical and marked by a sense of loss, it examines the nature of relationships—parental, carnal, and, the most fragile of all, that with life itself. A hauntingly beautiful work, it is the first English translation of a perfect introduction to a poet of global significance.
