Embrace the Struggle: Living Life on Life's Terms Zig Ziglar, Julie Ziglar Norman

After years of speaking and writing bestsellers on the value of having a positive attitude, motivational speaker Zig Ziglar is faced with putting his words into action after a fall leaves him with a head injury. In *Embrace the Struggle*, Ziglar shares a personal account of his accident and offers encouragement through his firsthand experience of overcoming his most difficult challenge.

One of the leading stars in the “positive thinking” movement, Zig Ziglar has made a career out of telling people how to have a positive attitude, no matter what their circumstances are. But when a fall down a stairway onto a marble floor leaves him with a head injury, he is challenged with how to put the principles he’d been speaking about into practice. Ziglar’s willingness to be transparent has him back writing and speaking with renewed energy before audiences in the tens of thousands to show that life on life’s terms is still well worth living. *Embrace the Struggle* affirms the validity of the principles Ziglar has held true his entire life and includes not only his account of living positively through difficult circumstances; it also includes heartwarming stories of real people who encouraged him with how they put into practice these vital principles.
