Everything to Lose: A Novel Andrew Gross

A determined, (down on her luck,) mother caring for her handicapped son becomes entangled in a murderous conspiracy to keep a twenty year old secret buried in this blistering thriller, set during the tragic aftermath of Hurricane Sandy, from Andrew Gross, the *New York Times* bestselling author of *15 Seconds* and *No Way Back*.

While driving along a suburban back road, Hilary Blum, who's just lost her job and whose deadbeat husband has left her alone to care for her son with Asperger's, witnesses a freakish accident. A car ahead of her careens down a hill and slams into a tree. Stopping to help, she discovers the driver dead—and a satchel stuffed with a half a million dollars.

That money could prevent her family's ruin and keep her special needs son in school. In an instant, this honest, achieving woman who has always done the responsible thing makes a decision that puts her in the center of maelstrom of dark consequences and life-threatening recriminations—a terrifying scheme involving a twenty-year-old murder, an old woman who's life has been washed out to sea, and a powerful figure bent to keep the secret that can destroy him hidden.

With everything to lose, everything she loves, Hilary connects to a determined cop from Staten Island, reeling from the disaster of Sandy, to bring down an enemy who will stop at nothing to keep what that money was meant to silence, still buried.

The book makes you considerably more confidence because you can know everything by the book. So , let me make new experience along with knowledge with this book.

Thomas Hawkins:

People live in this new time of lifestyle always attempt to and must have the extra time or they will get large amount of stress from both way of life and work. So , if we ask do people have time, we will say absolutely yes. People is human not just a robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is actually Everything to Lose: A Novel.

Jack Morgan:

Is it an individual who having spare time after that spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Everything to Lose: A Novel can be the answer, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these publications have than the others?

Beverlee Guthrie:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Everything to Lose: A Novel can make you truly feel more interested to read.
