Not everyone gets a second chance with their first love.

Cost of Repairs, Book 5

David Weller thought he had it all—a loving partner who gave him a ring, a steady job he didn't hate, and so much hope for the future. But in the wake of a devastating diagnosis, everything he thought was solid and real lay in pieces at his feet.

Four years later, he's still sifting through the rubble of his life. His catering partnership occupies his days, while his nights are filled with dangerous sexual hookups and very bad decisions. Then the last person he ever expected to see again walks back into his life.

Owen Hart's single biggest regret is the way he was forced to leave David behind—no explanations, no chance to make it right. Until now. Finally free of eight years of lies, Owen's back for the only man he's ever loved.

An incendiary encounter in a club proves that time hasn't weakened their physical connection, but David's wounds run deeper than Owen's deception. And if David can't first forgive, Owen doesn't have a second chance in hell.

Warning: This book contains an Australian transplant with a head full of secrets, a party planner with enough baggage to sink a battleship, and a surly teenager who just wants them both to get over themselves.

Carlton Little:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
