*Diego Zandel*

## **Il console romeno: 5 (edeia / racconti) (Italian Edition)** Diego Zandel

Ha scritto il critico Sergio Pent che Diego Zandel è “uno scrittore che sa rinnovare certe pieghe della letteratura cosiddetta di confine, ma con ampie falcate in una dimensione internazionale che è ancora poco di casa in Italia”.

Che sia così lo dimostrano anche i sette racconti qui riuniti, i cui riferimenti sono realtà di diverso ambito geopolitico – il rapporto palestinese/israeliano in *Il fratello*, la Grecia del post-colonnelli in *La vendetta*, la Romania di Ceausescu in *Il console romeno*, il mediterraneo in *Duca Lamberti in crociera* – mentre, pur ambientati in Italia, altri racconti si occupano di quelle frontiere che attraversano la nostra coscienza, in una dimensione fortemente noir come in *In memoriam* e *Traguardo di sangue*, con l'unica eccezione dello spiazzante *Rosa shocking*.

I racconti qui riuniti, sono stati scritti in tempi diversi e, perciò, diversi nelle motivazioni che li hanno ispirati così come nei contesti, sono la testimonianza che, quando uno scrittore è dotato di una forte impronta caratteriale, ritrova sempre nei materiali di cui si serve una unità di fondo che costituisce la sua personale cifra narrativa.
