Simon says: Sometimes you really don't need to say a word Daniel Gothard

Simon Templar was named after a suave and heroic man of action, but he seems to lack the finer points of his namesake. Slightly hapless, occasionally hopeless, and prone to being chased by angry strangers, he is the everyman who doesn't fit. When his drunken father-in-law divulges a shocking truth about the love of Simon's life and takes away his one chance at happiness, it seems the world will always kick him where it hurts. Yet in the aftermath of this revelation Simon is determined to rebuild his life, hopes and dreams. Or at least have a life, hopes and dreams. With the support of his best buddy Sean, and embracing a dating frenzy that would put a lothario to shame (albeit a not particularly successful lothario), Simon goes on a journey of self-discovery. Can he learn to trust again, and finally understand the true meaning of love? In the best traditions of Richard Curtis and David Nicholls, Simon says is a wonderful bittersweet comedy of love, life and longing, and the perfect read for any rom-com fan.
