## **Stay** Aislinn Hunter

*Stay* follows Abbey, a young woman from Canada now living in a village outside Galway. She falls in love with Dermot, an older Irish man, in an unconventional, affectionate but troubled relationship.

The extraordinary skill of *Stay* lies in its unsentimental depiction of modern Ireland. The inhabitants of Dermot's village form a riotous and poignant chorus, commenting on their rapidly changing world with wit and insight. Here is a beautiful, funny and richly rewarding novel about history and obligation, and above all, the meaning of human connection in a land poised uneasily between past and present.
