## **Biblenomics (Italian Edition)** Thomas Vander Bullion

Le Antiche Scritture sono un complesso di libri scritto nell'arco di secoli, agli antipodi del mondo allora conosciuto, in una pluralità di lingue differenti, da Sapienti ispirati, con lo scopo di elevare ai massimi livelli il potenziale umano. Questi Testi, ricchi di contenuti sia spirituali che di consigli pratici utili alla vita quotidiana, contengono oltre 1500 riferimenti economico/finanziari. Dallo studio e dalla codifica di tali principi è nato Biblenomics, un testo che racchiude tutto il sistema ed i precetti economici contenuti nella Bibbia. Al contrario di quanto si possa comunemente pensare, a causa di manipolazioni del messaggio originale effettuate dai poteri forti nell'arco dei secoli, la ricchezza, il rispetto per il denaro, il lavoro, il risparmio, il successo sociale e la libertà finanziaria, sono valori fortemente sentiti all'interno della Bibbia. E' di dominio pubblico che molti investitori, uomini d'affari e massoni Statunitensi di fine '800, diventati poi tra i più ricchi della storia moderna, fossero appassionati studiosi di tali principi. Ora questi precetti rivelati e messi in pratica con questo libro non sono più informazioni gelosamente celate e riservate alle elite che hanno dominato di generazione in generazione nell'arco dei secoli. Anche tu potrai finalmente sapere i segreti che ben conoscevano i protagonisti della nostra civiltà, e grazie ai quali hanno costruito le loro enormi ricchezze. Finalmente è giunto il tuo momento, risveglia il tuo potenziale e raggiungi il successo finanziario che meriti!
