**Conquering Gotham: Building Penn Station and Its Tunnels** Jill Jonnes

**"Superb. [A] first-rate narrative" (*The Wall Street Journal*) about the controversial construction of New York's beloved original Penn Station and its tunnels**

As bestselling books like Ron Chernow's *Titan* and David McCullough's *The Great Bridge* affirm, readers are fascinated with the grand personalities and schemes that populated New York at the close of the nineteenth century. *Conquering Gotham* re-creates the riveting struggle waged by the great Pennsylvania Railroad to build Penn Station and the monumental system of tunnels that would connect water-bound Manhattan to the rest of the continent by rail. Historian Jill Jonnes tells a ravishing tale of snarling plutocrats, engineering feats, and backroom politicking packed with the most colorful figures of Gilded Age New York.

*Conquering Gotham* will be featured in an upcoming episode of PBS's American Experience.
