Miradas de contraste. Estudios comparados sobre Colombia y Mexico / Contrasting Views: Comparative Studies on Colombia and Mexico (La Historia / History) (Spanish Edition) Alexander Betancourt Mendieta, Renzo Ramirez Bacca

Este libro nos ofrece el resultado de un intercambio academico entre profesores y estudiantes de las universidades Autonoma de San Luis Potosi y la Universidad Nacional de Colombia con sede en Medellin. Uno de los objetivos fue plantear la elaboracion de proyectos que desarrollaran perspectivas comparadas en donde se tomaran en cuenta casos de Mexico y Colombia, para asi lograr una apertura en los limites tematicos y la ampliacion de objetos de estudio en el campo de los estudios historicos. Los textos aqui publicados abordan temas como la inmigracion, la literatura, el cafe, la independencia, lo cual demuestra las amplias posibilidades tematicas que se encuentran al interior de ambos grupos de investigacion, y son apenas una muestra de las multiples posibilidades que se pueden lograr con este tipo de colaboracion entre dos instituciones de dos paises. Estas contribuciones se pueden entender como el resultado de las acciones de una cultura de la internacionalizacion que permite mejorar la competitividad cientifica regional y fortalecer nuevas formas de hacer ciencia social y humanidades en un mundo globalizado.
