People's Republic of China Construction Law: A Guide for Foreign Companies

People's Republic of China Construction Law: A Guide for Foreign Companies

PRC Construction Law – A Guide For Foreign Companies lays out comprehensively the compliance requirements, procedures and documentation for the conduct of construction transactions in China.

Written by one of only two lawyers in China chosen by the prestigious “International Who’s Who of Construction Lawyers”, this title is designed to help readers understand and handle the various complicated aspects and requirements of the PRC Construction Law. This book provides in-depth analysis of all important elements of construction laws, including chinese land law, construction quality and safety regulations, tender law, contract law and its impact on construction contracts, establishment of WFOE or CJV construction firms in China, market access to China construction industry, legal issues concerning foreign owners, contractors and designers in China, and construction disputes. This book also includes the relevant PRC statutes in its bilingual legislation chapter for easy reference.

PRC Construction Law – A Guide For Foreign Companies is an indispensable guide for international construction firms, construction design firms, foreign real property firms, energy companies and multinational corporations as well as for law firms, consultancy firms and foreign investors to China.

Other related CCH publications include:

- China Business Law Guide
- China Investment Vehicles
- China Laws for Foreign Business
- Business Regulations
