Pequenos Gigantes (Portuguese Edition) Ismael Lopes Coelho

Diante da profunda viagem da vida uma coisa me fascina por dentro. Como medir o amor de uma mãe? Como entender a comunicação do feto durante o processo de gravidez? Há um mistério muito além da medicina neonatal... Além dos enigmas que envolvem conceitos de embriologia e genética humana. Não somos feitos de genes, nem tão pouco de células sexuais definidas. Somos gerados do amor. O amor é uma força profunda, é o elemento principal de uma geração de famílias que crescem e se multiplicam. São partes energéticas de uma relação harmoniosa entre duas pessoas que se amam. Esse livro é um presente de Deus para você. Essa é uma história inspirada na fala de um anjo. Filhos que emocionaram seus pais, alguns que destruíram gigantes, e outros que mudaram o mundo.
