## **Pursuing Contentment (Women of Faith Study Guide Series) Thomas Nelson**

All too often, our lives fall short of the expectations we've set, and our happiness seems just out of reach. We are disappointed by the people in our lives, or the decisions we made, or how we reacted to something, or the goals we failed to meet. All this disappointment can work its way into our hearts—and when that happens, we lash out and vent our disgruntled feeling over life's unfairness. In short, we complain about our situation and fail to see all the blessings God has given us. In this study, readers will examine how contentment is something that can be *learned*. They will look at what the Bible says about being content in all circumstances, how they can overcome bad habits of complaining, and how they can allow God to cultivate a heart of thankfulness within them.
