Sweet Tooth: A Memoir Tim Anderson

2015 International Book Awards Winner in Non-Fiction: Gay & Lesbian

“A gifted writer, Anderson is...delightful in his irreverence, and astutely aware of himself and his particular perspective. His observations are often laugh-out-loud funny and will leave readers with the desire to...keep turning the pages...” —*Publishers Weekly* review for Anderson, author of *Tune in Tokyo* and *Sweet Tooth*

What’s a sweets-loving young boy growing up gay in North Carolina in the eighties supposed to think when he’s diagnosed with type 1 diabetes? That God is punishing him, naturally.

This was, after all, when Jesse Helms was his senator, AIDS was still the boogeyman, and no one was saying, “It gets better.” And if stealing a copy of an x-rated magazine from the newsagent was a sin, then surely what the guys inside were doing to one another was much worse.

Sweet Tooth is Tim Anderson’s uproarious memoir of life after his hormones and blood sugar both went berserk at the age of fifteen. With Morrissey and The Smiths as the soundtrack, Anderson self-deprecatingly recalls love affairs with vests and donuts, first crushes, coming out, and inaugural trips to gay bars. What emerges is the story of a young man trying to build a future that won’t involve crippling loneliness or losing a foot to his disease—and maybe even one that, no matter how unpredictable, can still be pretty sweet.

From reader reviews:

Joshua Arwood:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of book you read, if you want attract knowledge just go with schooling books but if you want truly feel happy read one with theme for entertaining including comic or novel. Typically the Sweet Tooth: A Memoir is kind of reserve which is giving the reader unpredictable experience.

John Kuykendall:

The reason? Because this Sweet Tooth: A Memoir is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book get such as help improving your proficiency and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

Shellie Toy:

You can spend your free time to see this book this e-book. This Sweet Tooth: A Memoir is simple to deliver you can read it in the park your car, in the beach, train as well as soon. If you did not have got much space to bring the printed book, you can buy the e-book. It is make you easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Yvonne Tetrault:

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Sweet Tooth: A Memoir can be the response, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
