## **Aliens: Labyrinth** Jim Woodring

Rumor has it that the crew members of space station Innominata are expendable and can be used in clandestine experiments. Rumor has it that Paul Church, the Colonel Doctor in charge of the research facility, has been running tests to determine what makes the Aliens tick and that he's using Colonial Marines as bait. Well, the U. S. Government doesn't like rumors they like facts. And so they've sent Colonel Doctor Anthony Crespi to investigate. He's empowered to get the truth any way he can. His goal is to find a way that will get him off that station alive. Harvey Award-winning writer Jim Woodring (Jim, Aliens: Kidnapped, Frank) crafts a spellbinding tale of horror and mystery in Aliens: Labyrinth, illustrated by Kilian Plunkett (Star Wars, JLA: Classified).
