With your first breath of life, you take in the energy pattern radiated by the sun, moon, and stars at that moment in time and space. This internal energy pattern underlies your persona--your behavioral patterns, personality traits, and life's path. Understanding these underlying patterns enables you to balance and transform your negative traits and highlight and develop your innate talents.

Blending Eastern and Western astrological methods, Master Mantak Chia and William Wei explain how to identify the five key patterns of your internal energy persona based on the year, month, and day of your birth. Including charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card, they explore how each of these astrological profiles interact to build your unique persona and provide profoundly accurate descriptions for each year and sun sign combination, each sun and moon sign combination, and each birth card. Each description also includes career recommendations to best utilize your innate gifts and relationship advice on which animals, sign combinations, and birth cards to seek out and which to avoid. Not only useful for personal insight and self-development, this new astrological approach can also be used to understand the underlying energetic personality patterns of your lovers, friends, relatives, and colleagues.
