**Fundamentals of Court Interpretation: Theory, Policy and Practice: Second Edition** Roseann D. Gonzalez, Victoria F. Vasquez, Holly Mikkelson

This volume explores court interpreting from legal, linguistic, and pragmatic vantages. Because of the growing use of interpreters, there is an increasing demand for guidelines on how to utilize them appropriately in court proceedings, and this book provides guidance for the judiciary, attorneys, and other court personnel while standardizing practice among court interpreters themselves. The new edition of the book, which has become the standard reference book worldwide, features separate guidance chapters for judges and lawyers, detailed information on title VI regulations and standards for courts and prosecutorial agencies, a comprehensive review of U.S. language policy, and the latest findings of research on interpreting.
