Girl Trouble: Female Delinquency in English Canada Joan Sangster

Rarely a week goes by when juvenile delinquency or the Young Offenders Act are not discussed in the dominant media. Are we witnessing a moral panic over youth crime or a spate of “child-blaming” driven by the politics of law and order?

Sangster traces the history of young women and crime and in so doing punctures dozens of myths surrounding these issues. *Girl Trouble* uncovers the voices of girls and their families who are caught up in the juvenile justice system, and provides a critical look at the definitions of, and solutions to, female delinquency. The book fills a significant gap in Canadian social and legal history.
