La historia de El Capital de Karl Marx (Spanish Edition) Francis Wheen

La historia del libro que revolucionó el pensamiento y la sociedad

«Los filósofos solo han interpretado el mundo de diversas maneras: se trata de cambiarlo», escribía Karl Marx en 1845. Esa es la esencia de *El capital*, una brutal denuncia del nuevo mundo capitalista de la era victoriana, cuyas ideas iban a cambiar la vida de millones de personas y alterar el curso de la historia. *El capital* nació en un pequeño apartamento de dos habitaciones en el Soho londinense, entre discusiones políticas y tragedias personales.

El primer volumen apareció en 1867 y fue recibido con tímidos elogios, pero tras la muerte de Marx influyó en pensadores, escritores y revolucionarios, desde George Bernard Shaw a Lenin. Francis Wheen muestra en esta obra brillante y amena cómo *El capital*, lejos de ser un árido tratado económico, es una especie de gran novela gótica, cuyos héroes están esclavizados por un monstruo que ellos mismos han creado: el capitalismo. Es más, como argumenta Wheen, mientras este perdure, *El capital* sigue siendo un libro que hay que leer y comprender.
