**Magia casi real con cartas y cuerdas (Spanish Edition)** José de la Torre

Si todo está en los libros, la magia de las monedas está aquí. No es una monografía, es la quintaesencia de la magia con monedas. Este libro es un pequeño tratado de magia con monedas, con una serie de efectos que no se presentan como efectos aislados, sino que están perfectamente ensamblados y encadenados entre sí, de manera que pueden realizarse sin solución de continuidad, formando un espectáculo unitario y una completa exhibición.
