Passing Strange (Novel) Daniel Waters

Karen DeSonne is used to pretending to be something she's not. All her life, she's passed as a normal all-American teenager; with her friends, with her family, and at school. Passing cost her the love of her life. And now that Karen's dead, she's still passing - this time, as alive. Meanwhile, Karen's dead friends have been fingered in a high-profile murder, causing a new round of anti-zombie regulations that have forced nearly all of Oakvale's undead into hiding.
