Spirit of Faith: The Human Soul is a compilation of writings and prayers that focus on the human soul and the qualities of this remarkable and unique aspect of our existence. Spiritual seekers of all faiths will relish these uplifting passages that offer a great deal of insight into the nature and significance of the human soul—a subject that has never been so extensively explored in the religious texts of the past. This collection contains writings from Bahauallah, the Bab, and AbdulBaha.

The *Spirit of Faith* series explores a range of topics—such as the unity of humanity, the eternal covenant of God, the promise of world peace, and much more—by taking an in-depth look at how the writings of the Bahai Faith view these issues. The series is designed to encourage readers of all faiths to think about spirituality, and to take time to pray and meditate on these important topics.
