All the Things I Love About You LeUyen Pham

There are oh so many things a mom loves about her young child. But most of all, she just loves him, no matter what.

Bestselling author and illustrator LeUyen Pham combines her experience as a mother and her proven storytelling skills in a humorous and heartfelt love letter of a book. *In All the Things I Love About You*, Mama lists the reasons she loves her little boy: the way his hair sticks up in the morning, the way he says "Mama" (even in the middle of the night), and the way he laughs. Simply written and beautifully illustrated, *All the Things I Love About You* honestly speaks to the unconditional love between a mother and her child. Children and parents alike will treasure this heartwarming book and, in reading it together, appreciate the small actions that make love grow stronger every day.

From reader reviews:

Joel Jones:

Now a day people who Living in the era where everything reachable by talk with the internet and the resources within it can be true or not involve people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the solution is reading a book. Looking at a book can help people out of this uncertainty Information specially this All the Things I Love About You book since this book offers you rich info and knowledge. Of course the knowledge in this book hundred percent guarantees there is no doubt in it as you know.

James Thrasher:

Reading a book to be new life style in this calendar year; every people loves to go through a book. When you read a book you can get a lots of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The All the Things I Love About You will give you a new experience in studying a book.

Tracy Brown:

Is it an individual who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This All the Things I Love About You can be the answer, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Carlie Manson:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this All the Things I Love About You can make you experience more interested to read.
