Between Two Kingdoms Joe Boyd

In this work of allegorical fantasy, author Joe Boyd takes us on a pilgrimage to a land of two kingdoms, but only one true King. An ancient land, where children never grow old. A living land, where foundations grow in trees and rivers sing and breathe. But also a dying land, where the darkness of a false prince threatens to swallow everything in its shadow.

Enter the adventure with Tommy, a child of the Great King, as he and his friends accept the challenge to live as grown men and women in the Lower Kingdom—where hope is hidden, vision is clouded, and pride twists truth into a beautiful yet deadly deception.
