Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938 Elizabeth Ann Danto

Today many view Sigmund Freud as an elitist whose psychoanalytic treatment was reserved for the intellectually and financially advantaged. However, in this new work Elizabeth Ann Danto presents a strikingly different picture of Freud and the early psychoanalytic movement. Danto recovers the neglected history of Freud and other analysts' intense social activism and their commitment to treating the poor and working classes.

Danto's narrative begins in the years following the end of World War I and the fall of the Habsburg Empire. Joining with the social democratic and artistic movements that were sweeping across Central and Western Europe, analysts such as Freud, Wilhelm Reich, Erik Erikson, Karen Horney, Erich Fromm, and Helene Deutsch envisioned a new role for psychoanalysis. These psychoanalysts saw themselves as brokers of social change and viewed psychoanalysis as a challenge to conventional political and social traditions. Between 1920 and 1938 and in ten different cities, they created outpatient centers that provided free mental health care. They believed that psychoanalysis would share in the transformation of civil society and that these new outpatient centers would help restore people to their inherently good and productive selves.

Drawing on oral histories and new archival material, Danto offers vivid portraits of the movement's central figures and their beliefs. She explores the successes, failures, and challenges faced by free institutes such as the Berlin Poliklinik, the Vienna Ambulatorium, and Alfred Adler's child-guidance clinics. She also describes the efforts of Wilhelm Reich's Sex-Pol, a fusion of psychoanalysis and left-wing politics, which provided free counseling and sex education and aimed to end public repression of private sexuality.

In addition to situating the efforts of psychoanalysts in the political and cultural contexts of Weimar Germany and Red Vienna, Danto also discusses the important treatments and methods developed during this period, including child analysis, short-term therapy, crisis intervention, task-centered treatment, active therapy, and clinical case presentations. Her work illuminates the importance of the social environment and the idea of community to the theory and practice of psychoanalysis.

From reader reviews:

David Waymire:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938.

Ann Fortune:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try thing that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938, it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't have it, oh come on its called reading friends.

Curt Hall:

That reserve can make you to feel relax. This specific book Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938 was bright colored and of course has pictures on the website. As we know that book Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938 has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading which.

Kyle Cook:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Freud's Free Clinics: Psychoanalysis & Social Justice, 1918-1938 can make you really feel more interested to read.
