Getting the most out of the iPad is made easy with this thorough guide. These portable, multimedia devices have endless capabilities, and this book includes a quick reference, tips and tricks, and a troubleshooting guide, providing the basics for seniors who want to get started using their iPad. Each chapter is broken down into small, concise, step-by-step instructions that can be followed at any pace. The guide goes on to explain how to use the device to access the internet, write e-mails, jot down notes, maintain a calendar or agenda, view photos and videos, and listen to music. It also instructs how to use the App Store, where other interesting applications can be downloaded free of charge or for a small fee. With large-print type and an extensive index, this is the best resource for seniors looking to learn all about their iPad. This book is suitable for iPad 2, the new iPad (third and fourth generation) and iPad Mini with iOS 6.
