Kayden is Different Activity Book M. Ed Roosevelt Mitchell III

Meet Kayden. He is just like many children today with a disability. Whether it's a physical or mental disability, there are those who are bullied because of the way they are. Being bullied ruins any child's self-esteem, but the effect is even greater for children with disabilities. Unfortunately children who do the bullying do not understand that those born "different" are just like them. Kayden teaches kids that you can be a hero even with a disability!
